Object: I'm running for the Hôpital Maisonneuve-Rosemont!

Hello,

That's it, I'm going for it! This spring, I'm participating in the Charity Challenge benefiting the Hôpital Maisonneuve-Rosemont!

With the donations we receive, we will support the ***Together for the HMR Fund***, which aims to provide the Hospital with the resources necessary to maintain excellence in care, research, and teaching, which are at the heart of its ability to deal with the future challenges.

My goal is to raise a minimum of \$ XXX. Can I count on your support?
